

Theme: Mythbusting European Project Management for Strategic Partnerships
Dublin, Ireland | 13-15 February 2019

Aims:

The aim of the seminar is to:

- Mythbust key aspects of international/ European project management for new coordinators of Strategic Partnership Projects
- Explore best practice in European project management for more experienced project coordinators.

(One of each of the above from each country).

Who:

Participants, from the fields of VET, Adult Education, Schools and Higher Education, who are:

- Experienced project coordinators who can share their approaches and tools on Project and Quality management in European projects
- New Strategic Partnership coordinators who are coordinating their first Strategic Partnership project.

Programme:

The seminar will include a Project Management Tools fair for both sharing and discovering project management tools/resources either developed through a European project or used by projects to manage their activities.

Expected results:

- Improved and extended understanding of project and quality management through exchange of practice and tools
- Opportunity to meet and build a network of peers interested in transnational project management
- Project Management handbook which can be used for current and future EU partnership projects.

The working language will be **English**.

Costs:

Léargas will cover the costs of accommodation in a single room for two nights at the hotel, as well as all planned meals and materials for the seminar.

Flight/travel costs for approved participants will be covered by their sending National Agency.
